2012 - 2013

PROGRESS REPORT FOR 2012 - 2013

We are very sorry for this delay in publishing our annual report this year. But we are happy to say that the Rahula Trust is continuing with its activities due to your generous support throughout the last 14 years. It has gone from strength to strength and we have been able to support many children during their education. So far 200 students completed their studies, including 23 students who have completed their degrees. At present there are 52 students who are getting support from the Rahula Trust in universities and other higher educational institutes. This year we were able to sponsor 28 new children, bringing the total number of children to 374.

Fund-raising and donations:-

A generous donor who wanted to be anonymous has donated £10,000 towards the work of the Rahula Trust.

As in previous years, Alan Mitchell at the St. John's International School in Brussels has kindly organised an

Scholarship in Memory of Dr. Daya Silva

In memory of Dr Daya Silva, founder president of the Sri Lankan Golfing Society, the membership has organised a scholarship fund to commemorate him. Mr. Sarth Randeniya and members presented a cheque to the Secretary of the RAHULA TRUST to educate a deserving child in Sri Lanka.

Art Exhibition and Auction with his students and raised £1,440.55 (last year) and £1,373.12 (this year). This has become an annual event and we are most grateful to Alan for his continuing efforts to support the Trust.

Also this year Stewarts Law Foundation has kindly donated £2,000.00 to support the activities of the Rahula Trust.

One of long-standing supporters of the Rahula Trust, Mrs O T Dissanayaka, has donated £1000.00.

Members of the Sri Lankan Golfing Society have donated £550.00 to establish a scholarship in memory of its founding president, Dr. Daya Silva.

Mr. Samantha de Silva donated £250.00 in memory of his late wife, Mrs. N. K. de Silva.

This year we have received Rs.21,800.00 (approx. £109.00) from the Abhayananda and Swarna Perera Trust.

Sales of Pat Smith's CD on Meditation have raised £404.00.

Ven. Bandula, our Secretary, celebrated his birthday in June and he asked all well-wishers to make a donation to the Trust instead of giving him a present. The response was magnificent and we received £2,207.00.

Gift Aid: During the year we recovered £9,736 from Her Majesty's Revenue and Customs under the Gift Aid scheme. This is a significant amount of money and we ask anyone who has not yet signed a Gift Aid form

please to do so. It makes a substantial improvement in our income without costing the donor a penny.

We are sorry to report the passing away of some of our sponsors and well-wishers: Dr. NDG Leslie, Mr. K. G. Alwis, Ms. Lucky Gunatilaka, and Mr. Shelton Abeywickrama.

New look for the Website. We managed to rearrange our website and we would like to thank Mr. Sankatha Bamunugama for his hard work in making these improvements. Please take a look for yourself!

As always, we wish to express our sincere thanks and appreciation for the support we receive, both in money and in time, from so many generous people, including those mentioned above. Without your support the Trust could do nothing and we are deeply grateful for the many forms of support we receive. More sponsors are always needed, so if you know of anyone who might be interested in our work, please spread the word. Likewise, more money is always needed! If you are able to do any fund-raising on our behalf, we shall be very happy to hear of your plans and to co-operate in any way we can.

Education Development Programme- - "Rainbow Project" Implemented by RAHULA TRUST in partnership with SIDDHARTHA CHILD DEVELOPMENT FOUNDATION

In certain remote areas of Sri Lanka, children do not get a sufficient level of education owing to the vicious cycle of poverty. Communities and parents do not understand that providing education for their children is the most powerful mechanism to break this cycle. In addition, poverty has created obstacles for the education of such disadvantaged, marginalised children where they cannot afford to go for additional classes, they do not have the means to obtain books and they encounter only demotivating factors in terms of education from the parents and the community. "Rainbow project" is the children's education development initiative implemented by the Rahula Trust, UK in partnership with Siddhartha Child Development Foundation (SCDF), Sri Lanka in Padaviya and Wilgamuwa educational zones where poverty is responsible for many problems with children's education. Expected results from this project are narrated below.

Educational Zone	Centre	Grade	Number of Students	
Padaviya	Ruwanpura Vidyalaya	07	42	
		08	33	
		09	37	
		10	35	
Wilgamuwa	Maraka Vidyalaya	08	42	
		09	28	
		10	36	
		11	15	
	Hattota Amuna Vidyalaya	08	32	
		09	30	
		10	34	
		11	15	
	Nugagolla Vidyalaya		08	46
			09	60
			10	65
				Total 550

Expected results:

- Inspired and motivated children involved in education.
- Gradual improvement of children in respect of educational record.
- Motivated parents providing an environment conducive for their children's studies.
- Educated children with self-reliance focusing on success.

SCDF, with the kind monetary assistance of the Rahula Trust, has been carrying out project activities through in one centre in Padaviya educational zone and three centres in Wilgamuwa educational zone.

Trustees of the Rahula Trust, Dr. Robert Parsons and Mr. Martin Evans met officials from Siddhartha Foundation to discuss the progress of the teaching project in Padaviya and Wilgamuwa educational zones. These are located in Anuradhapura and Matale Districts.

If anyone has a working computer (PC or laptop) which they no longer require, please donate it to Project Colombo c/o Personal Storage, Stanley Gardens, London W3 7SZ (020 8740 1557) or contact Jonny Morris at 07767 622007 .

You can help a child in need. Become a sponsor today...

Sponsorship costs just £12 a month but all donations are welcome!

A small regular donation of £12 per month can make the world of difference to the quality of education a child receives thousands of miles away. Every child should have the opportunity to receive an education, but without assistance, many children will remain uneducated and, as adults, be unable to rise above poverty.

Each child sponsored through The Rahula Trust is assigned to one sponsor. If a sponsor ceases his/her support, we seek a new sponsor for the child.

How to give:

- **STANDING ORDER** *(this is easiest way to give)*
 - Paying by standing order is easy to set up and means you don't have to keep remembering to send off cheques.
 - It is also beneficial for the Rahula Trust because it reduces administration costs.

A standing order is the preferred method of payment for child sponsorship. Please complete the form.

ALTERNATIVE WAYS TO PAY -

If you are not able to pay by Standing Order:

- **CHEQUE/POSTAL ORDER (Please make payable to the Rahula Trust)**

New Gift Aid scheme

On 6th April 2000 a new and much simplified Gift Aid scheme came into operation. If you are a taxpayer, all you have to do is complete the declaration and return it to us. This will enable us to recover nearly 25p in tax for every £1 you give, on any payments you make to The Rahula Trust in the future.

Charitable Bequests:

Gifts made to the Rahula Trust in your Will are free from inheritance tax. This is a wonderful way to give and generate *metta* at a time when material possessions are no longer necessary.

In Sri Lanka:

If you would like to give donations in Sri Lankan Rupees to the Rahula Trust please send your cheque/postal order or money payable to **Rahula Trust A/C No. 1-0001-01-02601 to:- The Chief Manager, National Savings Bank, Head Office Branch, Colombo 3, Sri Lanka.**

If you have recently donated please accept our thanks and hopes for your continued support in the future.
